

TOUGH GATEWAY

Tough Gateway is a heavy duty, indoor or outdoor entrance mat. The coarse fibres scrape dirt and debris from footwear and polypropylene surface absorbs moisture quickly. The unique non-skid PVC backing does not curl. Great for high traffic entrances and can also be edged with a heavy duty edging which is suitable for wheeled traffic. Can be cut to any size to fit recesses in entrances or can be loose laid.

COLOURS/ DESIGNS

Anthracite Grey Navy

Tan Red

APPLICATIONS

- Ideal for high traffic entrances to commercial buildings, lobbies, shopping centres

FEATURES

- Ideal for high traffic commercial entrances, lobbies, shopping centres
- Approx. 11mm thick
- Tufts ensure a powerful scrub to remove debris from footwear
- High absorbing polypropylene surface dries shoes quickly
- Hard wearing fibres give the mat a long lifespan
- Can be unedged for mat recesses or PVC edged for loose laying. *Will cost extra for the PVC edging – please enquire
- Can be cut to any size or shape up to 4m wide x 21m long
