

INTERLINK MAT WITH HOLES

Interlink mats are made of a heavy duty natural rubber that offers excellent anti-fatigue characteristics in industrial and commercial work areas. If you need an irregular shape or larger size, let us make it for you. Interlink mats have a hidden interlocking system designed to connect all four sides making it perfect for covering large floor areas. For easy trolley access and extra employee safety, attach the 75mm wide safety bevelled edge.

COLOURS/ DESIGNS

APPLICATIONS

- Ideal for in front of machinery, around packing benches, work benches/stations, wet areas, custom shaped areas

FEATURES

- Approx. 14mm thick
- High quality anti-fatigue properties
- Unique surface texture prevents build-up of dirt
- Drainage holes allow flow of liquids
- 915 x 915mm modular interlocking system
- Bevelled edges available in yellow or black
- Light weight for easy handling
- Indoor use
